COMMANDING Officers are hereby enjoined to pay particular attention to the instructions contained in the Circular Memoranda of the 19th September, 1855, and 14th May, 1856, requiring returns of Officers' Services, and to transmit these statements with regularity and despatch to the Military Secretary, Horse Guards.

CIRCULAR MEMORANDUM.

PIONEERS' APPOINTMENTS.

General Number

231

Pioneers,

1.

B.—81.

Horse Guards, 18th November, 1856.

His Royal Highness the General Commanding-in-Chief having approved of a set of Pioneers' Tools, as an experiment, Regiments of Infantry will be supplied with Implements of the new pattern on making application to the Director General of Army Stores.

The number of Pioneers in each Regiment has been increased to *thirteen*,—that is, one Pioneer Corporal and one Pioneer per Company; and the distribution of the Implements between them is shown in the following Table:—

Number.	Rank.	Shovel.	Pick-axe.	Spade.	Felling-axe.	Broad-axe.	Hand-axe.	Saw.	Grow-bar.	Hammer.	Auger.	Chisel.	Cold Chisel.	File-saw.	Bill-hook.	Gun-spikes.	Sword with saw-back.
1	Corporal*	1	1	1	2	1
1	Private	1	1	1	2	1

13	Total	6	6	4	6	1	2	1	1	1	1	1	1	1	12	26	13

The whole of these Tools are of the improved patterns lately adopted for general Field Service, and in the event of their becoming broken or damaged on service, no difficulty will be experienced in replacing them at any Government Tool Store or Depot.

It being important that the Pioneer, from the nature of his duties, should be as little as possible burthened on the march, he will no longer be armed

* It is not necessary that the Corporal should carry this particular set of Tools, but, in dividing them amongst the Pioneers, each man should, if possible, carry some Tools with the use of which he is acquainted.

with a Musket, but will carry instead a Saw-backed Sword, which will serve both as a weapon and a tool. The weight of arms and ammunition from which he is relieved by this arrangement will more than counter-balance that of the Tools, and will enable him without difficulty to carry his knapsack, &c., like any other Soldier.

As the nature of a Pioneer Force depends entirely upon the efficiency of the individuals composing it, his Royal Highness the General Commanding-in-Chief directs, that the practice which has prevailed in many Regiments of making the Pioneers a refuge for old and worn out Soldiers shall cease.

On service, the Pioneer, if an active intelligent artificer, would be far more usefully employed in directing the labours of several other men than in working exclusively himself; and as by the present arrangement each Pioneer carries Tools for one or more additional men, a portion of the Force would, if competent, be always available in this capacity.

Commanding Officers of Regiments will therefore in future be careful to select as Pioneers able-bodied, active, intelligent Soldiers; and as it is highly important to render available some of the skilled labour which each Regiment possesses in its ranks, they should as far as possible be artificers and mechanics; the Corporal should, in addition, invariably be chosen for his superior intelligence.

The Trades from which Pioneers should be taken are principally, Carpenters, Smiths, Masons, Bricklayers or Engine Fitters; and there should be at least two Carpenters and a Smith amongst the Privates.

The mode of carrying the Tools is shown in the accompanying sketch, and is as follows:—

No. 1. The Shovel, Pick-axe, Bill-hook and Sword:—

The *Shovel*, being buttoned in its case, is suspended by the belt from the left shoulder, so as to hang a little in rear of the right hip, the handle being in rear of the arm. The knapsack is then put on, and the steadying strap, attached to the back of the shoulder belt, is passed above the lower sling of the knapsack, round the handle of the Shovel, either once or twice as may be convenient, and under the right arm to the front, where it is buckled on to a D. on the belt.

The *Pick-axe*, in its case, is carried at the "slope" on the right shoulder, the point to the front.

The *Bill-hook*, in its case, is suspended by the waist-belt in rear of the left hip, close to

The *Sword*, which is in its front, and hanging down the side of the left leg.

No. 2. The Spade, Axe, Bill-hook and Sword:—

The *Spade* is worn exactly like the Shovel.

The *Axe* is carried on the right shoulder similarly to the Pick-axe, with the edge to the front.

The *Bill-hook* and *Sword* are worn in each case as has been explained.

No. 3. The Felling-axe, two Axes, Bill-hook and Sword.

The *two Axes*, in the case, are suspended by the belt over the left shoulder, and hung on the right hip rather to the front.

The *Felling-axe*, &c., as already explained.

No. 4. The Felling-axe, Saw, Small Axe, Bill-hook and Sword.

The *Saw* is worn like the two Axes on the right side.

The *Axe*, &c., as before explained.

No. 5. The *Crow-bar* is carried at the "slope," resting on the right shoulder, the point to the front.

The Bag with small Tools is suspended at the right side, like the Saw and two Axes.

In every case the Soldier's waist-belt with the Sword-frog, supplied with the Tools, is worn over the belt from which the Tools are suspended, in order to steady them and keep them in their place.

Gauntlet Gloves and Aprons cease to form part of Pioneers' equipment.

Pioneers are to wear their beards and moustachios unshaven.

The Distribution of Tools between the Service and Depot Companies is to be as follows :—

Service Companies.

4 Shovels, Pick-axes and Bill-hooks.

3 Spades, Felling-axes and Bill-hooks.

1 Felling-axe, Hand-axe, Saw and Bill-hook.

13.

Horse Guards, 25th November, 1856.

IN consequence of its having been found that the practice of “snapping” (which was ordered by the Circular Memorandum of 25th September, 1855, to be discontinued on account of the injury caused thereby to the firelock) is of the utmost importance to the effectual carrying out of the position drill as prescribed by the Instruction of Musketry, the late Field Marshal Commanding in-Chief, in concurrence with the Secretary of State

for War, decided upon the adoption of Snap-caps of a pattern which has been for some time under trial at the School of Musketry, without any breakage of either cock, swivel, or any other part of the Rifles with which they have been used.

A number of these new Snap-caps being now ready, his Royal Highness the Duke of Cambridge has entered into an arrangement with the War Department for their being issued to every Regiment and Depôt, at home and abroad, according to their establishment, and without the necessity of separate requisitions from Commanding Officers.

The Snap-caps will be attached to the Musket by a small chain or elastic band, and with every fresh issue, extra leathers, in the proportion of twenty per Company, will be supplied for the purpose of being fitted into the metal frame in lieu of others as they become worn out, an operation attended with no difficulty, and one which it is stated can be effected by any handy man in a Company.

In the event of a Soldier losing his Snap-cap, either wilfully or through neglect, the cost thereof as fixed by the War Department, viz. 3d. each, will have to be made good by him at his own expense.

By Command.

G. A. WETHERALL,
Adjutant-General.

Retirement of Officers

A.—59.

1.

Horse Guards, 26th November, 1856.

His Royal Highness the General Commanding-in-Chief is pleased to direct that, upon forwarding to the Military Secretary the applications of Officers to retire from the Service by the sale of their Commissions, Commanding Officers will accompany such applications with a certificate under his own hand that the Officer has paid all regimental claims against him; and in the event of the existence of any non-liquidated regimental claims, the Officer applying to retire must transmit with his application his consent to the stoppage of the amount of such claims from the proceeds of the sale of his Commission, to be lodged in the hands of the Regimental Agents, for the liquidation of such unsettled regimental debts, upon the order of the Officer commanding.

In the event of the Officer commanding not having it in his power to satisfy himself that there are no regimental claims against such Officer, the Officer seeking to retire by the sale of his Commission is hereby required to leave such portion of the proceeds of the sale of his Commission in the Agents' hands, as may appear advisable to the Officer commanding, until such time as he shall have satisfied himself that all regimental claims have been settled, whereupon a statement to that effect to the Regimental Agents is to be their authority for paying the balance to the Officer in question.

By Command.

G. A. WETHERALL,
Adjutant-General.

Horse Guards, 4th December, 1856.

THE proposal of his Royal Highness the General Commanding-in-Chief to establish a Military School for Music having received the support of all Officers commanding Regiments in the Service, measures will be adopted without delay to place the School in working order.

To meet the expenses connected therewith, Commanding Officers are requested to cause the sum of 5*l.*, to form a fund for the purchase of Instruments, &c., and the annual subscription of 8*l.* for the support of the Insti-

tution, to be paid into the hands of Messrs. Cox & Co. of Craig's Court, as soon as possible, to the credit of the Military Musical Fund.

It is hoped that the Institution will be ready to receive pupils on the 1st of January; of this, however, due notice will be given.

The building in which the School will be temporarily established is capable of accommodating 100 men; and each Regiment *at home* will, as a commencement, send to the Adjutant-General the names of two men, or one man and one enlisted boy or lad, for instructions as Musicians, Bugle-Majors or Trumpet-Majors; those intended to qualify for the two latter appointments being men who have already acquired some knowledge of their instruments; or should the Commanding Officer consider any man, from his musical knowledge and general intelligence, likely to make an efficient Leader, he may submit his name as one to be perfected as a Band Master.

It is indispensable that the candidates selected should be of exemplary character, that they have musical ability, and be capable of turning their instruction to good account, and that the boys or lads should have exhibited a musical aptitude.

Regulations for the conduct of the Institution are in course of preparation, and will be furnished to every Regiment and Corps in the Army as soon as they are completed.

THE amount of Bounties fraudulently obtained by any Soldier, by desertion from his Corps and enlisting in some other Corps or the Militia, must be stated both in the charges and in the sentence, and the offender put under stoppages for such an amount only as shall be proved to the satisfaction of the Court.

This Memorandum is to be laid on the table at all Courts Martial, General, District or Garrison, for the information or guidance of the Court. The same course will be pursued with all Memoranda having reference to the procedure of Courts Martial.

In cases in which the above course of proceeding has not been followed, it has been ruled by the Judge Advocate General that the stoppages are illegal and cannot be rightly enforced; and the amount of such stoppages will be accordingly forthwith refunded to the men who are undergoing or who have undergone such stoppages.

THE British German Legion having been disbanded in consequence of her Majesty no longer requiring their services, the General Commanding-in-Chief cannot permit that body to separate without expressing to the Officers of the British Army who were attached to it his Royal Highness's high appreciation of their services during the period they were employed in the Force; to whom, in a great degree, the high state of military efficiency at which the Legion had arrived may be justly attributed.

MEMORANDUM.

FIELD OFFICERS *who have retired from the Service by the Sale of their Commissions, and wish their Names to be restored to and retained in the ARMY LIST in Italics, will be pleased, in their Applications for this Privilege to the General Commanding in Chief, to state the Dates of their last Commissions, Brevet as well as Regimental, and also that of their Retirements.*

HORSE GUARDS,
29th May, 1855.

MEMORANDUM.

Every Officer applying to the SECRETARY AT WAR to be appointed a Staff Officer of Pensioners, should distinctly answer the following :—

- 1st. Present Age, and whether on Full or Half Pay, and if at home or abroad ?
- 2nd. Whether he has completed Twenty-one Years' Service; and if so, in what Corps ?
- 3rd. Date of Commission as Captain, and whether his appointment would involve Brevet Rank ?
- 4th. If on Half Pay, did he receive a difference which he is bound to repay ? Did he retire at his own request, or from bad health or wounds ?
- 5th. Has he ever served as Adjutant or Paymaster, or held any other appointment on the Staff likely to qualify him for the duties he would have to perform ?
- 6th. Can he produce Certificates of ability and fitness for the appointment in question from Officers under whom he has served ?

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force :

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The Intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by Increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

COMMANDING Officers will remind Officers in charge of Companies of the Regulations of the Army regarding the advance of money to Pay-Serjeants, paragraph 95, page 136 :—

Embezzlement, &c. of public monies entrusted to Pay-Serjeants or other Non-commissioned Officers for the payment of the men of their Company.

Commanding Officers will not, in the cases stated in the margin, include in charges for embezzlement or fraudulent misapplication any amount above the sum required "day by day for the subsistence of the Non-commissioned Officers and Men."

Horse Guards, 16th December, 1856.

A VERY pernicious system having prevailed in several Corps of the Men being permitted to use a composition called Jet in cleaning their Pouches, General Officers commanding Districts, Divisions and Brigades are requested to give their immediate attention to this subject, and to cause the description of Blacking mentioned in the Circular Memorandum of the 16th February, 1848, to be exclusively used for cleaning the Pouches.

Squad Bags

A.—64.

4.

Horse Guards, 19th December, 1856.

OFFICERS commanding Regiments are referred to the provisions of the Circular Memorandum of the 16th November, 1854 (*copy annexed*), which prescribe ten years as the period during which Squad Bags are expected to last, being *kept in repair* at the expense of the Regiment to which they are issued.

Squad Bags are provided to relieve a Soldier from carrying a complete kit in the field, on which occasions he should only have in his custody the service kit, the remainder being in the Squad Bag and left in the Regimental Store.

His Royal Highness the General Commanding-in-Chief cannot recommend the issue of new Squad Bags to replace those worn out within the prescribed period of ten years by having been left in the men's possession during the recent operations in the Crimea, and Commanding Officers will accordingly be pleased to abstain from forwarding applications to this effect, and to cause the Squad Bags to be repaired as effectually as possible.

By Command.

G. A. WETHERALL,

Adjutant-General.

(Copy.)

2 Brushes, and such articles from Holdall as can be immediately dispensed with.

requisitions to the Adjutant-General for the number of Squad Bags required by their respective Corps, on the estimate of one Squad Bag for every twenty-five men authorized by their establishment. These Squad Bags will be provided and carried on the march at the public expense. They are expected to last at least ten years, and it is clearly to be understood they are to be kept in repair at the expense of the Regiment to which they are issued.

The Regimental Quarter Master will have charge of these Squad Bags, and will serve them out to each Company according to its effective strength, at the rate of one for every twenty-five men.

Officers commanding Regiments will cause periodical inspections to be made of the Squad Bags, and any damage done to them beyond fair wear and tear must be made good by the Squad to which the Bag belongs.

By Command.

(Signed)

G. A. WETHERALL,

Deputy-Adjutant-General.

MEMORANDUM.

ANY Captain applying to the Secretary of State for War to be appointed a Staff Officer of Pensioners should answer distinctly the following questions as to his qualifications :

- 1st. What is his age ? Whether on Full or Half Pay ? Whether serving abroad or at home ?
 - 2nd. Has he completed FIFTEEN years' service on Full Pay, and in what Corps ?
 - 3rd. What is the date of his Commission as Captain ?
 - 4th. Has he received the difference when placed on Half Pay ? Did he retire at his own request, from ill health, or from wounds ?
 - 5th. Has he served as Adjutant, or Paymaster, or on the Staff in any capacity likely to qualify him for the duties of Staff Officer of Pensioners ?
 - 6th. Has he certificates of ability and fitness from Officers under whom he served ?
-

N.B. Officers under or above the rank of Captain, or whose appointment would involve immediate Brevet Rank, or who, having received the difference, are not prepared to repay it, are ineligible for the appointment of Staff Officer of Pensioners.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

WARRANTS, CIRCULARS, &c.

THE VICTORIA CROSS.

VICTORIA R.

WHEREAS we, taking into our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-commissioned Officers and Soldiers in our Army; and whereas the third class of our most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some special engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalled themselves remain undistinguished from their comrades; now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, we have instituted and created, and by these presents, for us, our heirs and successors, institute and create a new Naval and Military Decoration, which we are desirous should be highly prized and eagerly sought after by the Officers and Men of our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:—

Firstly. It is ordained, that the distinction shall be styled and designated “the Victoria Cross,” and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing this inscription, “For Valour.”

Secondly. It is ordained, that the Cross shall be suspended from the left breast, by a blue riband for the Navy, and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom we may be pleased to confer the Decoration shall be published in the “London Gazette,” and a registry thereof kept in the office of our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances :—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military force is under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distinct and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained that every person selected for the Cross, under rule seven, shall be publicly decorated before the naval or military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a general order, together with the cause of his especial distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the naval or military commander of the forces employed on the service.

Eleventhly. It is ordained that the General Orders above referred to shall from time to time be transmitted to our Secretary of State for War, to be laid before us, and shall be by him registered.

Twelfthly. It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, we will, on the joint submission of our Secretary of State for War, and of our Commander in Chief of our Army, or on that of our Lord High Admiral, or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of seamen and marines, not under fifty in number, or by a brigade, regiment,

troop or company, in which the admiral, general or other officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them : then in such case, the admiral, general, or other officer commanding, may direct that for any such body of seamen or marines, or for every troop or company of soldiers, one officer shall be selected by the officers engaged for the Decoration ; and in like manner one petty officer or non-commissioned officer shall be selected by the petty officers and non-commissioned officers engaged ; and two seamen or private soldier or marines shall be selected by the seamen, or private soldiers, or marines, engaged respectively, for the Decoration ; and the names of those selected shall be transmitted by the senior in command of the naval force, brigade, regiment, troop or company, to the admiral or general officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourteenthly. It is ordained that every warrant officer, petty officer, seaman or marine, or non-commissioned officer, or soldier, who shall have received the cross, shall from the date of the act by which the Decoration has been gained, be entitled to a special pension of ten pounds a year, and each additional bar conferred under rule four on such warrant or petty officers, or non-commissioned officers or men, shall carry with it an additional pension of five pounds per annum.

Fifteenthly. In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred be convicted of treason, cowardice, felony or of any infamous crime, or if he be accused of any such offence, and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred, by an especial warrant under our royal sign manual, and the pension conferred under rule fourteen shall cease and determine from the date of such warrant. It is hereby further declared that we, our heirs and successors shall be the sole judges of the circumstance demanding such expulsion ; moreover, we shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pensions.

Given at our court at Buckingham Palace, this twenty-ninth of January, in the nineteenth year of our reign, and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's command.

Horse Guards, 2nd January, 1857.

IN reminding Commanding Officers of Regiments that they are held responsible that, in the dress and equipment of their Regiments, nothing be adopted which is not sanctioned by Her Majesty's Regulations, or by special authority as an exception, his Royal Highness the General Commanding-in-Chief is pleased to direct as follows:—

Forage Caps.—The Tuft of the men's Forage Cap is to be dark Blue for all Regiments of Infantry except Light Infantry and Rifle Regiments, which are to be of the same colour as the Forage Cap, viz. Green.

Chin Straps are to be worn: Peaks only to be used on the Stations prescribed by Regulation. The Forage Caps of Officers and Men of Light Infantry and Fusilier Regiments are to bear Arabic numerals, surmounted by a Bugle or Grenade, as the case may be—the Officers' in embroidery, the Men's in Brass, as by pattern lodged at the Army Clothing Department.

Knapsacks.—The Knapsacks of all Regiments are to have the numbers in Arabic numerals, 1½ inches in height (according to accompanying pattern), painted in white, in the centre of the pack.

Light Infantry, Fusilier and Rifle Regiments are to have the Bugle or Grenade in white paint over the Number on the pack. This does not apply to Flank Companies.

Number Plates for the Knapsacks of every Regiment will be furnished by the Director-General of Army Clothing.

Review Order—Marching ditto.—It is to be distinctly understood that there are only two orders of equipment for General Parades, viz. 1st, Review Order—Full dress, but without Knapsacks; 2nd, Marching Order, when the full equipment of the Soldier is to be carried. The great coat folded at the back of the pack, and mess tin on the top, as shown in the illustration given in the Circular Memorandum dated Horse Guards, 3rd October, 1854. The upper edge of the Knapsack should be on a level with the lower seam of the collar of the coat.

Pouches.—The larger Pouch to hang about four fingers below the elbow, the small Pouch to be worn in front, on the right side.

Bayonet.—The Bayonet to hang on the left hip, and not too far to the front.

Chevrons.—Without special authority to the contrary, the Chevrons of Non-commissioned Officers are not to be worn on both arms, except in the cases sanctioned by the Queen's Regulations.

CIRCULAR, No. 13. (BARRACKS.)

[This Circular to be substituted for that of the same Date and Number previously issued, which is hereby cancelled, and should be returned to this Department.]

HOME STATIONS.

To Commanding Officers and Paymasters of Cavalry and Infantry Regiments or Battalions,—of Cavalry Depôts and Depôt and Provisional Battalions, and Officers commanding Artillery Districts or Battalions, and Barrack Masters at Home Stations.

War Department, Pall Mall, 1st September, 1856, $\frac{167}{258}$ L

1. It having been determined to increase the existing rates of Regimental Lodging Money, and to include them in one consolidated allowance with the commuted Fuel and Light allowance, the above Officers are hereby informed thereof, and that the following is the authorized scale of these combined allowances, to take effect on 1st October, 1856, in respect of claims for periods commencing on or after that day.

	Per diem	
	s.	d.
Regimental Field Officers, if Commanding Regiments of Cavalry, Regiments or Battalions of Infantry, Artillery Districts, Battalions of Artillery, Cavalry Depôts, or Depôt or Provisional Battalions.	4	0
Other Regimental Field Officers	3	0
Captains	2	3
Subalterns	2	0

2. All special rates of Regimental Lodging Money heretofore granted are to cease from 1st October, 1856, whether to Officers, Non-commissioned

Officers, or Men of the Royal Artillery or otherwise, and whether at Woolwich, Shoeburyness, Manchester, or elsewhere: the new rate of allowance assigned to the rank of "Other Regimental Field Officers" is to be applicable to the Deputy Inspectors General of Hospitals and Senior Surgeons of the late Ordnance Medical Corps; that assigned to Captains is to extend to Paymasters and Surgeons: also to Veterinary Surgeons of twenty years' standing; and that to Subalterns, to Veterinary Surgeons of less than twenty years' service, to Quarter Masters, Assistant Quarter Masters, Assistant Surgeons, and Probationary Veterinary Surgeons; the rates applicable to Adjutants, whether of Regiments or Depôt Battalions, and to Instructors and Assistant Instructors of Musketry, are those of their substantive Army or Regimental rank, but not Brevet rank; and whenever a claim of 4s. per day is made for a Regimental Field Officer Commanding as before stated, such fact must be shown against his name, and further that he was not in occupation of a room in barracks, as an office distinct from the orderly room.

3. These rates are to be claimed through Paymasters on forms of the description annexed, numbered 1, such claims being transmitted at the end of each month to the Accountant General, War Department, Pall Mall, London, and are to be confined to actual Regimental or Army rank (exclusive of *brevet or acting* ranks), and to such Officers as are actually present and doing duty with the Regiment, and necessarily living out of barracks for want of sufficient accommodation therein for all the Officers.

4. The attention of the Secretary of State for War has been drawn to the General Order, dated Office of Ordnance, 8th February, 1847, $\frac{\text{S.G.}}{9}$ and to other regulations affecting the grant of Lodging Allowances to Officers and Non-commissioned Officers, and his Lordship has decided that a due regard to the efficiency of the service and the welfare of individuals of all ranks require some modification of those Regulations.

5. Whenever, therefore, there may be the regulated accommodation in barracks for all the Officers of a Regiment, no Lodging Money is admissible, and those married Officers who in such case prefer, and are permitted to live out of barracks, must do so at their own expense as regards the rent of Lodgings, and can only be allowed to draw the commuted Fuel and Light allowance, sanctioned by the General Order, dated Office of Ordnance, 22nd March, 1844, $\frac{\text{M. G.}}{108}$. But when the barracks are insufficient for all the Officers, the choice of Living in Lodgings may be granted, to the extent of the deficient accommodation, to the Officers in the order of seniority, the Officers so selected receiving the Lodging Money of their respective Regimental ranks.

6. Married Officers who may have elected to live in Lodgings when there was sufficient accommodation for them within the barracks, and who are consequently not entitled to draw the Lodging allowance, shall not be precluded from receiving the said allowance at any future period, when the barracks may become full, and so long as they may continue so; and when vacant accommodation shall become available therein for a portion of the Officers who are in Lodgings, the Officers required to avail themselves thereof or to relinquish the Lodging allowance, shall be those of junior rank, unless the Commanding Officer shall deem it fit to recommend an exception thereto.

7. In regard to Non-commissioned Officers and Men, it is also to be clearly understood that when there is not sufficient accommodation in the barracks for the whole Regiment, the Lodging allowance applicable to the surplus numbers may be assigned to Staff Serjeants in preference to Troop or Company Serjeants, it being most essential for the discipline of Regiments that Serjeants of the latter description should live near the Men of their several Troops or Companies. The selection of the individual Officers, Non-commissioned Officers, and Men, who are to live out of barracks is to be made by the Commanding Officer, under such rules as may from time to time be laid down by the Commander-in-Chief, and concurred in by the Secretary of State for War, for the more efficient maintenance of discipline; but it is considered expedient that the Adjutant, one Medical Officer, and Serjeant Major, should live in barracks whenever practicable.

8. Paymasters will of course cease to claim, and Barrack Masters cease to pay, the commuted Fuel and Light allowance accruing due to Officers in receipt of Lodging Money on and after the 1st October, 1856, and heretofore payable on Form A. of the said General Order of 22nd March, 1844, $\frac{\text{M. G.}}{108}$, also the like allowances to Regimental Staff Serjeants of the 1st or 2nd class, agreeably to the Memorandum No. 3, from the Accountant General's Office of 26th September, 1855, and to Regimental Schoolmasters, whether of the 1st, 2nd, 3rd, or 4th class, agreeably to clause 9 of the General Order of 31st January, 1856, $\frac{\text{S.}}{1666}$, and the Circular of 12th July, 1856, $\frac{\text{B. B.}}{3827}$, merging by an equivalent addition those allowances at the rate of 2s. 6d. per week per room, in the one for Lodging Money applicable to their rank, and claiming such combined allowances with those for Commissioned Officers on the form before referred to, numbered 1, showing invariably the particular rank of each Schoolmaster, and seeing, moreover, in respect of the Staff Serjeants of the 1st or 2nd class, that no acting ranks are admitted, nor any other grades than those specified in the Order of 5th June, 1844, $\frac{\text{S. A.}}{101}$, at page 186 of the Addenda of 1st May, 1846, to the Barrack Regulations of 1st August, 1838, and those only at the Head Quarters of Cavalry Regiments and of Regiments or Battalions of Infantry.

9. In cases where the £2 : 2s. per week, in lieu of Officers' Mess accommodation for the entire Regiment, or the 6s. per week, in lieu of Paymaster's Office, is sanctioned and claimed, the appropriate commuted Fuel and Light allowance throughout the year for the former, viz., 9s. per week for the winter months, from November to April, and 6s. per week during summer, from May to October, and for the latter, 2s. 6d. per week, during the said winter months, should be added thereto, thus making for these services, as in the case of Commissioned and Non-commissioned Officers, one claim suffice for both allowances, and that chargeable by the Paymaster in the form before referred to, numbered 1; so much of the amount as relates to the hire of Mess accommodation being, as heretofore, supported by the stamped receipt of the owner of the premises.

10. Commanding Officers and Barrack Masters are in no case to include in the said annexed Form, numbered 1, the claims for Lodging Money, at the rate of 2d. per day, for the authorized number of married Soldiers permitted to live out of barracks, agreeably to the War Office Circular of 15th February, 1851, No. 1089, which claims are, as heretofore, to be paid by the

Paymaster on W. O. Form, 213, and charged in his Regimental Pay List, but in the said annexed Form, numbered 1, are to be included the claims of the Non-commissioned Officers and Men at a Barrack Station, at 1s. 2d. per week, necessarily living out of barracks, not as a portion of such authorized number, but for want of accommodation therein, agreeably to the General Order, dated Office of Ordnance, 18th September, 1854, ^{CA}₁₆₇, provided the numbers of these claimants shall not exceed 12, otherwise the whole number so necessarily living out should be billeted on the Loukeepers or Inhabitants, to whom the billet allowance should be paid by the Paymaster, and charged in the usual way in his Regimental Pay List, it being understood that the said Lodging Money of 2d. per day to the authorized number of married Soldiers permissively living out of barracks, or 1s. 2d. per week to Non-commissioned Officers and Men necessarily living out for want of accommodation therein, or billet-money according to rank, includes the allowance in lieu of Fuel and Light.

11. The commuted Fuel and Light without Lodging Allowance, granted by the said General Order of 22nd March, 1844, ^{MG}₁₀₈, to Officers permitted to live out of barracks on the ground of being married, and henceforth payable to such Officers when the barracks are not full, will, in respect of allowances falling due between the 1st October and 31st December, 1856, be, as heretofore, paid by the Barrack Master on the Form A, but at one uniform rate of 2s. 6d. per week per room, whether in Great Britain or Ireland (the Fuel and Light allowances in the United Kingdom generally being hereby assimilated), such form being modified to meet the exclusion of Officers in receipt of Lodging Money.

12. After the 31st December, 1856, the commuted Fuel and Light Allowance is to be claimed for such last-named Officers on the Form annexed, numbered 2, not through the Barrack Master at the Station, but by the Paymaster, from the Accountant General, War Department, Pall Mall, in like manner with the combined Allowance in lieu of Lodgings and Fuel and Light.

13. Paymasters will make written applications to the Storekeeper of the War Department, Tower of London, for such supplies of forms as they may from time to time require, and Barrack Masters will, before certifying claims for the combined allowance, in lieu of Lodgings and Fuel and Light, or for Fuel and Light alone, satisfy themselves, by a careful examination of the same, that they are correct in all respects.

SIR, IN consequence of a report from one of the Out-stations, respecting the state of the washing-tubs, water-pails, &c., belonging to this Department,

Your attention is called to the fact that all new coopers' ware, however well the staves may be seasoned, will shrink if kept in store for any length of time. You will, therefore, keep such articles in a store-room which is not too dry, taking care to drive well home, and properly tighten all the hoops, before making any issue to troops.

IN order to facilitate the examination of Store Ledgers, each article enumerated in the several Receipt and Issue Vouchers must, for the future, be plainly marked in the margin, with the number of the Ledger folio on which it is posted.

That this may be effectually carried out at Stations from which a *Transcript* Ledger is forwarded, differing, in the number of folios, from the original, it will be necessary that Store Accountants be careful to number the folios of the *Transcript*, not according to the consecutive pages thereof, but with reference to the paging of the *Station Ledger*; it being presumed that the pages marked in the Vouchers will be those of the *Station Ledger* inserted at the time the several Stores are posted.

A specimen of a page of a *Transcript* Ledger, thus numbered, is sub-joined.

It is to be observed, that the Contingent Accounts are not to be made out on the 2nd page of the Nominal Return as heretofore, but are to be sent in separately with Vouchers, &c., according to the regulations. The Nominal Return will be considered a Voucher in support of the Compensation paid to or sums recovered from the men.

I am further to request that the Nominal Returns may be carefully filled up and properly certified by the Commanding Officers.

THE Secretary of State for War wishes that the special attention of Officers of Engineers should be called to Section II., Article 19, of the Engineer Code, which forbids delivering to any individual, military or civil, testimonials of character.

It is the duty of every Officer to make periodical confidential reports of the character and conduct of persons under his orders, and it is his duty also to bring specially before the Inspector General of Fortifications, for the information of the Secretary of State, any cases of conduct specially deserving of praise or blame.

The Secretary of State will be entirely guided by these reports in promoting members of the Civil Staff from one situation to another, and in the

case of persons leaving the Service, any individual desirous of employing them will always be at liberty to apply to the Secretary of State for an account of the character they bore while in the Service; but testimonials or certificates are in no case to be given into the hands of the persons to whom they relate.

Experience has proved that such testimonials are in most cases given with very little consideration: they are of no service to men of known high character, and are sometimes made use of in a very improper way.

1. REFERRING to the Circulars, No. 1225, dated 11th April, 1856, and No. 1227, dated 21st May, 1856, I have the honor to request that instead of forwarding, as at present, the originals of the several Monthly Regimental Accounts, therein referred to, in respect of Bread, Meat, Forage, &c., to the Examiner of Army Accounts, and the duplicates to the Accountant-General, War Department, Pall Mall, you will have the goodness to cause the whole of these Returns to be henceforth transmitted by the 3rd of each Month, the time therein specified, to the latter Officer, together with the extract from the Adjutant's Roll as regards Cavalry Regiments or Depôts, all marked in the left hand corner of the envelope or superscription, "Bread," "Meat," or "Forage" Account, as the case may be.

2. The Diaries for Oats purchased or Billets supplied for Horses of the Royal Horse Artillery or Field Batteries, as well as the claims which may from time to time be forwarded by that Corps to the Accountant-General, for the combined allowance of Lodging Money and Fuel and Light, or for the latter allowance alone, should show whether or not the respective sums have been drawn from the Paymasters, Messrs. Cox & Co. and if so drawn, should specify the Battalion, Company and Monthly Abstract, or, if not drawn, should show to whom the sums when allowed are to be credited by the Paymasters.

3. The said Monthly Abstracts rendered to the Paymasters should, if the amounts have been drawn, show the date on which the Diaries or Claims were forwarded to the Accountant-General.

I have the honor to be, Sir,

Your obedient Servant,

The Officer commanding

CIRCULAR, No. 35. (SAVINGS' BANKS.)

91,300

General Number, 141.

War Department, 13th January, 1857.

Sir,

ADVERTING to the Circular Memorandum dated Horse Guards, 8th ultimo, I am directed by the Secretary of State to acquaint you, that the Savings' Bank Accounts of each Depôt Battalion are to be rendered to this Department annually, in the form of one consolidated account.

The Savings' Bank Accounts of a Regimental Depôt, transferred from one Depôt Battalion to another, are, up to the date of transfer, to form part of the consolidated account of that Depôt Battalion from which the Regimental Depôt is transferred, and the balance then due to each Depositor is to be entered in that account as a "transfer given." A certified list of such balances, showing in each case the amount of "Interest due, but not yet added to Principal," will be furnished by the Savings' Banks Committee of the Depôt Battalion from which the Regimental Depôt is transferred to the Officer commanding the Depôt Battalion to which the Regimental Depôt is to be attached.

This list will be a sufficient authority for opening fresh accounts with the several Depositors from the date of transfer, and should be annexed as a voucher to the consolidated account, in which the balances are taken up as "transfers received."

A separate transfer statement for each Depositor will not, therefore, in such cases be required, but the greatest care should be taken to show distinctly on the face of the list alluded to what balances are not payable until discharge, such as gratuities, &c.

When a Regimental Depôt which has been managing its own Savings' Bank business joins a Depôt Battalion, the Officer commanding the Depôt is immediately to render to this Department his final Savings' Bank Account made up to the date of junction, and to furnish the Savings' Bank Committee of the Depôt Battalion with a list precisely similar to that prescribed on transfer from one Depôt Battalion to another.

Copies of Savings' Banks Forms* applicable to the service of Depôt Battalions, and of which a supply can be obtained on requisition from this Department, are annexed,

I have the honor to be, Sir,

To Officers commanding Depôt Battalions.

Your most obedient Servant,
B. HAWES.

THE VICTORIA CROSS.

War Office, 24th February, 1857.

THE QUEEN has been graciously pleased to signify her intention to confer the Decoration of *The Victoria Cross* on the undermentioned Officers and Men of her Majesty's Navy and Marines, and Officers, Non-commissioned Officers and Men of her Majesty's Army, who have been recommended to her Majesty for that Decoration, in accordance with the rules laid down in her Majesty's Warrant of the 29th of January, 1856, on account of acts of bravery performed by them before the enemy during the late War, as recorded against their several names, viz.:—

ARMY.

2 Drs.—Serjeant Major (No. 774) JOHN GRIEVE.

Saved the life of an Officer in the Heavy Cavalry Charge at Balaklava, who was surrounded by Russian Cavalry, by his gallant conduct in riding up to his rescue and cutting off the head of one Russian, disabling and dispersing the others.

4 Lt. Drs.—Private (No. 635) SAMUEL PARKES.

In the charge of the Light Cavalry Brigade at Balaklava, Trumpet-Major Crawford's horse fell, and dismounted him, and he lost his sword; he was attacked by two Cossacks, when Private Samuel Parkes (whose horse had been shot) saved his life, by placing himself between them and the Trumpet-Major, and drove them away by his sword. In attempting to follow the Light Cavalry Brigade in the retreat, they were attacked by six Russians, whom Parkes kept at bay, and retired slowly, fighting, and defending the Trumpet-Major for some time, until deprived of his sword by a shot.

(Late) 11 Huss.—Lieutenant ALEXANDER ROBERT DUNN.

For having in the Light Cavalry Charge on the 25th October, 1854, saved the life of Serjeant-Major Bentley, 11th Hussars, by cutting down two or three Russian Lancers who were attacking him from the rear, and afterwards cutting down a Russian Hussar who was attacking Private Levett, 11th Hussars.

17 Lane.—Troop Serjeant Major JOHN BERRYMAN.

Served with his Regiment the whole of the War, was present at the Battle of the Alma, and also engaged in the pursuit at Mackenzie's Farm, where he succeeded in capturing three Russian prisoners, when they were within reach of their own guns. Was present and charged at the Battle of Balaklava, where, his horse being shot under him, he stopped on the field with a wounded Officer (Captain Webb) amidst a shower of shot and shell, although repeatedly told by that Officer to consult his own safety, and leave him, but he refused to do so, and, on Serjeant John Farrell coming by, with his assistance carried Captain Webb out of range of the guns. He has also a Clasp for Inkerman.

Land Trans. Corps (late Roy. Art.).—Captain ANDREW HENRY.

For defending the guns of his battery against overwhelming numbers of the enemy at the Battle of Inkerman, and continuing to do so until he had received twelve bayonet wounds. He was at the time Serjeant Major of G. Battery, 2nd Division.

Roy. Art.—Bt. Lieut. Col. MATTHEW CHARLES DIXON.

On the 17th April, 1855, about 2 P.M., when the battery he commanded was blown up by a shell from the enemy, which burst in the magazine, destroyed the parapets, killed and wounded ten men, disabled five guns, and covered a sixth with earth; for most gallantly re-opening fire with the remaining gun before the enemy had ceased cheering from their parapets (on which they had mounted) and fighting it until sunset, despite the heavy concentrated fire of the enemy's batteries, and the ruined state of his own.

Roy. Art.—Gunner and Driver THOMAS ARTHUR.

When in charge of the magazine in one of the left advanced Batteries of the Right Attack on the 7th June, 1855, when the Quarries were taken, he, of his own accord, carried barrels of Infantry Ammunition for the 7th Fusiliers several times during the evening across the open. Volunteered for, and formed one of the spiking party of Artillery at the assault on the Redan on the 18th June, 1855.

Roy. Eng.—Lieutenant GERALD GRAHAM.

Determined gallantry at the head of a Ladder Party, at the assault of the Redan, on the 18th June, 1855. Devoted heroism in sallying out of the trenches on numerous occasions, and bringing in wounded Officers and Men.

Roy Eng.—Lieutenant D. LENNOX.

Cool and gallant conduct in establishing a lodgment in Tryon's Rifle Pit, and assisting to repel the assaults of the enemy. This brilliant operation drew forth a special order from General Canrobert.

Roy. Eng.—Corporal (No. 997) JOHN ROSS.

Distinguished conduct on the 21st July, 1855, in connecting the 4th Parallel Right Attack with an old Russian Rifle Pit in front. Extremely creditable conduct on the 23rd August, 1855, in charge of the advance from the 5th Parallel Right Attack on the Redan, in placing and filling 25 gabions under a very heavy fire, whilst annoyed by the presence of light balls. Intrepid and devoted conduct in creeping to the Redan in the night of the 8th September, 1855, and reporting its evacuation, on which its occupation by the English took place.

Roy. Eng.—Corporal (No. 1078) WILLIAM J. LENDRIM.

Intrepidity—getting on the top of a Magazine, and extinguishing sand-bags which were burning, and making good the breach under fire, on the 11th April, 1855. For courage and praiseworthy example in superintending 150 French Chasseurs, on the 14th February, 1855, in building No. 9 Battery, Left Attack, and replacing the whole of the capsized gabions under a heavy fire. Was one of four volunteers for destroying the farthest Rifle Pit on the 20th April.

Roy. Eng.—Sapper (No. 854) JOHN PERIE.

Conspicuous valour in leading the Sailors with the ladders to the storming of the Redan, on the 18th June, 1855. He was invaluable on that day. Devoted conduct in rescuing a wounded man from the open, although he himself had just previously been wounded by a bullet in the side.

Gren. Gds.—Bt Maj. Sir CHARLES RUSSELL, Bart.

Offered to dislodge a party of Russians from the Sand-bag Battery, if any one would follow him; Serjeant Norman, Privates Anthony Palmer, and Bailey (who was killed) volunteered the first. The attack succeeded.

Gren. Gds. 3rd Batt.—Private (No. 3571) ANTHONY PALMER.

Present when the charge was made in defence of the Colours, and also charged singly upon the enemy, as witnessed by Sir C. Russell; is said to have saved Sir C. Russell's life.

Gren. Gds. 3rd Bat.—Serjeant (No. 5872) ALFRED ABLETT.

On the 2nd September, 1855, seeing a shell fall in the centre of a number of Ammunition-cases and Powder, he instantly seized and threw it outside the trench; it burst as it touched the ground.

Coldst. Gds.—Bt. Maj. GERALD LITTLEHALES GOODLAKE.

For distinguished gallantry whilst in command of the sharpshooters furnished by the Coldstream Guards, on the 28th October, 1854, on the occasion of "the powerful sortie on the 2nd Division," when he held the Windmill Ravine, below the Picquet House, against a much larger force of the enemy. The party of sharpshooters then under his command killed thirty-eight (one an officer), and took three prisoners of the enemy (of the latter, one an officer), Major Goodlake being the sole Officer in command. Also, for distinguished gallantry on the occasion of the surprise of a picquet of the enemy, in November, at the bottom of the Windmill Ravine, by the sharpshooters under his sole leading and command, when the knapsacks and rifles of the enemy's party fell into his hands.

Coldst. Gds.—Private (No. 3968) WILLIAM STANLOCK.

For having volunteered, when employed as one of the sharpshooters in October, 1854, for reconnoitring purposes, to crawl up within six yards of a Russian sentry, and so enabled the Officer in command to effect a surprise; Private Stanlock having been warned beforehand of the imminent risk which he would run in the adventure.

Coldst. Gds.—Private (No. 4787) GEORGE STRONG.

For having, when on duty in the trenches in the month of September, 1855, removed a live shell from the place where it had fallen.

Sco. Fus. Gds.—Bt. Maj. ROBERT JAMES LINDSAY.

When the formation of the line of the Regiment was disordered at Alma, Captain Lindsay stood firm with the Colours, and by his example and energy greatly tended to restore order. At Inkerman, in a most trying moment, he, with a few men, charged a party of Russians, driving them back, and running one through the body himself.

Sco. Fus. Gds.—Serjeant (No. 3234) M'KECHNIE.

When the formation of the Regiment was disordered at Alma, for having behaved gallantly, and rallied the men round the Colours.

Sco. Fus. Gds.—Private (No. 3368) WM. REYNOLDS.

When the formation of the line was disordered at Alma, for having behaved in a conspicuous manner in rallying the men round the Colours.

1 F. 2nd Bat.—Private (No. 1672) JOSEPH PROSSER.

1st. On the 16th June, 1855, when on duty in the trenches before Sebastopol, for pursuing and apprehending (while exposed to two cross fires) a soldier in the act of deserting to the enemy. 2nd. On the 11th August, 1855, before Sebastopol, for leaving the most advanced trench, and assisting to carry in a soldier of the 9th Regiment, who lay severely wounded and unable to move. This gallant and humane act was performed under a very heavy fire from the enemy.

3 F.—Bl. Lieut. Col. FREDERICK MAUDE.

For conspicuous and most devoted bravery on the 8th September, 1855, when in command of the Covering and Ladder Party of the 2nd Division, on the assault of the Redan, to which he gallantly led his men. Having entered the Redan, he, with only nine or ten men, held a position between traverses, and only retired when all hope of support was at an end, himself dangerously wounded.

3 F.—Private (No. 2649) JOHN CONNORS.

Distinguished himself most conspicuously at the assault on the Redan, 8th September 1855, in personal conflict with the Russians: rescued an Officer of the 30th Regiment, who was surrounded by Russians, by shooting one and bayonetting another, and was observed, inside the Redan, in personal combat with the Russians for some time. Was selected by his Company for the French War Medal.

7 F.—Private (No. 1879) MATHEW HUGHES.

Private Mathew Hughes, 7th Royal Fusiliers, was noticed by Colonel Campbell, 90th Light Infantry, on the 7th June, 1855, at the storming of the Quarries, for twice going for ammunition, under a heavy fire, across the open ground; he also went to the front and brought in Private John Hampton, who was lying severely wounded; and on the 18th June, 1855, he volunteered to bring in Lieutenant Hobson, 7th Royal Fusiliers, who was lying severely wounded, and in the act of doing so was severely wounded himself.

7 F.—Private (No. 3443) WILLIAM NORMAN.

On the night of the 19th December, 1854, he was placed on single sentry some distance in front of the advanced sentries of an outlying picquet in the White Horse Ravine, a post of much danger, and requiring great vigilance: the Russian picquet was posted about 300 yards in his front; three Russian soldiers advanced, under cover of the brushwood, for the purpose of reconnoitring. Private William Norman, single-handed, took two of them prisoners, without alarming the Russian picquet.

8 F. (*late* 90 F.)—Ensign ANDREW MOYNIHAN.

When Serjeant, 90th Light Infantry, at the assault of the Redan, 8th September, 1855, he personally encountered and killed five Russians. Rescued from near the Redan a wounded Officer, under a heavy fire.

17 F.—Corporal (Lance Serjeant) PHILIP SMITH.

For repeatedly going out in the front of the advanced trenches against the Great Redan, on the 18th June, 1855, under a very heavy fire, after the column had retired from the assault, and bringing in wounded comrades.

19 F.—Private (No. 1051) JOHN LYONS.

For, on the 10th June, 1855, taking up a live shell which fell among the guard of the trenches, and throwing it over the parapet.

23 F.—Bt. Lieut. Colonel EDWARD W. D. BELL.

Recommended for his gallantry, more particularly at the Battle of the Alma, where he was the first to seize upon and capture one of the enemy's guns, which was limbered up, and being carried off. He, moreover, succeeded to the command of that gallant Regiment which he brought out of action; all his Senior Officers having been killed or wounded.

23 F.—Lieutenant LUKE O'CONNOR.

Was one of the centre Serjeants at the Battle of the Alma, and advanced between the Officers, carrying the colours. When near the redoubt, Lieutenant Anstruther, who was carrying a colour, was mortally wounded, and he was shot in the breast at the same time, and fell; but, recovering himself, snatched up the colour from the ground, and continued to carry it till the end of the action, although urged by Captain Granville to relinquish it, and go to the rear, on account of his wound; was recommended for, and received his commission, for his services at the Alma. Also behaved with great gallantry at the assault on the Redan, 8th September, 1855, where he was shot through both thighs.

23 F.—Corporal (No. 2945) ROBERT SHIELDS.

For volunteering, on the 8th of September, 1855, to go out to the front from the 5th parallel, after the attack on the Redan, to bring in Lieutenant Dyneley, who was wounded, and found afterwards to be mortally so.

34 F.—Private (No. 3837) WILLIAM COFFEY.

For having, on the 29th March, 1855, thrown a lighted shell, that fell into the trench over the parapet.

34 F.—Private (No. 3482) JOHN J. SIMS.

For having, on the 18th June, 1855, after the Regiment had retired into the trenches from the assault on the Redan, gone out into the open ground, under a heavy fire, in broad daylight, and brought in wounded soldiers outside the trenches.

41 F.—Bt. Major HUGH ROWLANDS.

For rescuing Colonel Haly, of the 47th Regiment, from Russian soldiers, Colonel Haly having been wounded and surrounded by them, and for gallant exertions in holding the ground occupied by his advanced picquet against the enemy, at the commencement of the Battle of Inkerman.

41 F.—Serjeant-Major AMBROSE MADDEN.

For having headed a party of men of the 41st Regiment, and having cut off and taken prisoners one Russian Officer and fourteen privates, three of whom he, personally and alone, captured.

44 F.—Serjeant (No. 2802) WILLIAM M'WHEENEY.

Volunteered as sharpshooter at the commencement of the siege, and was in charge of the party of the 44th Regiment; was always vigilant and active, and signalled himself on the 20th October, 1854, when one of his party, Private John Keane, 44th Regiment, was dangerously wounded in the Woronzoff Road, at the time the sharpshooters were repulsed from the Quarries by overwhelming numbers. Serjeant M'Wheeney, on his return, took the wounded man on his back, and brought him to a place of safety. This was under a very heavy fire. He was also the means of saving the life of Corporal Courtney. This man was one of the sharpshooters, and was severely wounded in the head, 5th December, 1854. Serjeant M'Wheeney brought him from under fire, and dug up a slight cover with his bayonet, where the two remained until dark, when they retired. Serjeant M'Wheeney volunteered for the advanced guard of General Eyre's Brigade, in the Cemetery, on the 18th June, 1855, and was never absent from duty during the war.

47 F.—Private (No. 2040) McDERMOND.

For saving the life of Colonel Haly, on the 5th November, 1854, by his intrepid conduct in rushing up to his rescue when lying on the ground disabled and surrounded by a party of Russians, and killing the man who had disabled him.

49 F.—Serjeant GEORGE WALTERS.

Highly distinguished himself at the Battle of Inkerman, in having rescued Brigadier-General Adams, C.B., when surrounded by Russians, one of whom he bayonneted.

49 F.—Corporal JAMES OWENS.

Greatly distinguished himself on the 30th October, 1854, in personal encounter with the Russians, and nobly assisted Major Conolly, Coldstream Guards.

55 F.—Private THOMAS BEACH.

For conspicuous gallantry at the Battle of Inkerman, 5th November, 1854, when on picquet, in attacking several Russians who were plundering Lieutenant-Colonel Carpenter, 41st Regiment, who was lying wounded on the ground. He killed two of the Russians, and protected Lieutenant-Colonel Carpenter until the arrival of some men of the 41st Regiment.

55 F.—Brevet-Major FREDERICK C. ELTON.

For distinguished conduct on the night of the 4th August, 1855, when in command of a working party in the advanced trenches in front of the Quarries, in encouraging and inciting his men, by his example, to work under a dreadful fire; and, when there was some hesitation shown, in consequence of the severity of the fire, going into the open, and working with pick and shovel—thus showing the best possible example to the men. In the words of one of them, "There was not another Officer in the British Army who would have done what Major Elton did that night." In the month of March, 1855, Major Elton volunteered, with a small party of men, to drive off a body of Russians who were destroying one of our new detached works, and succeeded in doing so, taking prisoner one of the enemy with his own hands. On the night of the 7th June, 1855, Major Elton was the first of his party to leave our trenches leading his men; when in the Quarries, he several times rallied his men around him.

57 F.—Private (No. 1971) CHARLES M'CORRIE.

On the night of the 23rd June, 1855, he threw over the parapet a live shell, which had been thrown from the enemy's battery.

68 F.—Captain T. DE COURCY HAMILTON.

For having, on the night of the 11th May, 1855, during a most determined sortie, boldly charged the enemy, with a small force, from a battery of which they had obtained possession in great numbers, thereby saving the works from falling into the hands of the enemy. He was conspicuous on this occasion for his gallantry and daring conduct.

68 F.—Private JOHN BYRNE.

At the Battle of Inkerman, when the Regiment was ordered to retire, Private John Byrne went back towards the enemy, and, at risk of his own life, brought in a wounded soldier, under fire. On the 11th May, 1855, he bravely engaged in a hand to hand contest with one of the enemy on the parapet of the work he was defending,—prevented the entrance of the enemy, killed his antagonist, and captured his arms.

77 F.—Serjeant (No. 2600) JOHN PARK.

For conspicuous bravery at the Battles of Alma and Inkerman. Highly distinguished at the taking of the Russian Rifle Pits, on the night of the 19th April, 1855. His valour, during that attack, called forth the approbation of the late Colonel Egerton. He was severely wounded. Remarkd for determined resolution at both attacks on the Redan.

77 F.—Private (No. 2239) ALEX. WRIGHT.

For conspicuous bravery through the whole Crimean War. Highly distinguished on the night of the 22nd March, 1855, in repelling a sortie. Highly distinguished at the taking of the Russian Rifle Pits, on the night of the 19th April, 1855; remarked for the great encouragement he gave the men while holding the pits under a terrible fire. He was wounded. Highly distinguished on the 30th August, 1855 (wounded).

90 F.—Private (No. 2932) JOHN ALEXANDER.

After the attack on the Redan, 18th June, 1855, went out of the trenches, under a very heavy fire, and brought in several wounded men. Also, when with a working party in the most advanced trench, on 6th September, 1855, went out in front of the trenches, under a very heavy fire, and assisted in bringing in Captain Buckley, Scots Fusilier Guards, lying dangerously wounded.

97 F.—Bt. Major CHARLES HENRY LUMLEY.

For having distinguished himself highly by his bravery at the assault on the Redan, 8th September, 1855, being among the first inside the work, where he was immediately engaged with three Russian gunners reloading a field piece, who attacked him; he shot two of them with his revolver, when he was knocked down by a stone, which stunned him for the moment, but, on recovery, he drew his sword, and was in the act of cheering the men on, when he received a ball in his mouth, which wounded him most severely.

97 F.—Serjeant JOHN COLEMAN.

Conspicuous for great coolness and bravery on the night of the 30th August, 1855, when the enemy attacked a "New Sap" and drove the working party in; he remained in the open, perfectly exposed to the enemy's rifle pits, until all around him had been killed or wounded. He finally carried one of his Officers, who was mortally wounded, to the rear.

Rif. Brig. 1st Batt.—Brevet-Major *Hon.* HENRY H. CLIFFORD.

For conspicuous courage at the Battle of Inkerman, in leading a charge and killing one of the enemy with his sword, disabling another, and saving the life of a soldier.

When serving as a Serjeant in the Scots Fusilier Guards, Lieutenant Knox was conspicuous for his exertions in reforming the ranks of the Guards at the Battle of the Alma. Subsequently, when in the Rifle Brigade, he volunteered for the ladder-party in the attack on the Redan, on the 18th of June, and (in the words of Captain Blackett, under whose command he was,) behaved admirably, remaining on the field until twice wounded.

Rif. Brig. 2nd Bat.—Private (No. 2074) R. MCGREGOR.

For courageous conduct when employed as a sharpshooter in the advanced trenches in the month of July, 1855; a Rifle Pit was occupied by two Russians who annoyed our troops by their fire. Private McGregor crossed the open space under fire, and taking cover under a rock, dislodged them, and occupied the pit.

Rif. Brig. 2nd Bat.—Private (No. 2638) ROBERT HUMPHSTON.

A Russian Rifle Pit, situated among the rocks overhanging the Woronzoff Road, between the 3rd parallel, Right Attack, and the Quarries (at that period in possession of the enemy), was occupied every night by the Russians, and their Riflemen commanded a portion of the Left Attack, and impeded the work in a new battery then being erected on the extreme right front of the 2nd parallel, Left Attack. It was carried in daylight on the 22nd of April, 1855, by two Riflemen, one of whom was Private Humphston; he received a gratuity of 5*l.*, and was promoted. It was carried in daylight on the 22nd of April, 1855, by two Riflemen, one of whom was Private Bradshaw; he has since received the French War Medal. The Rifle Pit was subsequently destroyed on further support being obtained.

ROYAL MARINES.

Lieutenant GEORGE DARE DOWELL, R. M. A.

An explosion having occurred in one of the rocket-boats of the "Arrogant," during the attack on some forts near Viborg, Lieutenant Dowell (who was on board the "Ruby" gunboat, while his own boat was receiving a supply of rockets) was the first to jump into the quarter-boat of the "Ruby," and with three volunteers, himself pulling the stroke-oar, proceeded instantly, under a heavy fire of grape and musketry, to the assistance of the cutter's crew. The Russians endeavoured to prevent his object of saving the men and boat, but Lieutenant Dowell succeeded in taking up three of the boat's crew and placing them on board the "Ruby;" and, on his returning to the spot, was mainly instrumental in keeping afloat and bringing off the sinking cutter. (Despatch from Rear-Admiral Honourable Sir R. S. Dundas, 17th July, 1855, and Letter from Colonel Wesley, Deputy Adjutant-General of Royal Marines.)

Corporal JOHN PRETTYJOHN, R. M.

Reported for gallantry at the Battle of Inkerman, having placed himself in an advanced position; and noticed, as having himself shot four Russians. Despatch from Lieutenant-Colonel Hopkins, Senior Officer of Marines engaged at Inkerman, and letter from Colonel Wesley, Deputy Adjutant-General.)

MEMORANDUM.**ARTIFICIAL ARMS AND LEGS.**

THE Lords and others Commissioners of Chelsea Hospital having, at the suggestion and recommendation of the Secretary of State for War, made Arrangements for the supply of Artificial Arms (constructed upon an improved principle) and of Artificial Legs (in imitation of the natural leg, both as to form and motion) to those Commissioned Officers who have been wounded in the Service, whose means may not enable them to provide themselves with more expensive contrivances,—it is hereby notified, that such Officers who may be desirous of availing themselves of this benefit, and whose cases may come within the above regulation, should address their applications upon the subject to the Secretary of Chelsea Hospital. It is, however, to be clearly understood, that, as this is intended to be a boon to Officers of the above description, no pecuniary allowance in lieu can be granted to Officers who may prefer providing themselves with other substitutes for limbs.

- 1st. What is his age? Whether on Full or Half Pay? Whether serving abroad or at home?
- 2nd. Has he completed FIFTEEN years' service on Full Pay, and in what Corps?
- 3rd. What is the date of his Commission as Captain?
- 4th. Has he received the difference when placed on Half Pay? Did he retire at his own request, from ill health, or from wounds?
- 5th. Has he served as Adjutant, or Paymaster, or on the Staff in any capacity likely to qualify him for the duties of Staff Officer of Pensioners?
- 6th. Has he certificates of ability and fitness from Officers under whom he served?

N.B. Officers under or above the rank of Captain, or whose appointment would involve immediate Brevet Rank, or who, having received the difference, are not prepared to repay it, are ineligible for the appointment of Staff Officer of Pensioners.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force :

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.
2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.
3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.
4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.
If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.
5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.
A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.
6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.
When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.
7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.
8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission do not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.
9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.
10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George V. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.
Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.
2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

(Signed) CLARENDON.

Foreign Office, May 16, 1855.
